Objective

Looking for an internship during Summer 2025 in Cybersecurity or IT.

Education

Iowa State University B. S. Cyber Security Engineering	August 2024 - May 2027 GPA: 4.0
--	---

Projects

Cyber Defense Competitions	April 2022 - Present
-----------------------------------	-----------------------------

- Collaborated with team members to develop and execute strategies, leveraging individual strengths to achieve our competition goals.
- Implemented client and network firewalls to monitor and control our network.
- Detected and removed backdoors and insecure service configuration set by the competition organizers.
- Configured Group Policy to implement the principle of least privilege on our network.
- Implemented Wazuh SIEM to help monitor our network for intrusions during the competition attack phase.
- Created detailed documentation about computer configurations, usage and intrusions.

Experience

Krispy Kreme Food Service Worker	September 2021 - August 2022 Clive, Iowa
--	--

- Engaged with customers to ensure satisfaction and resolve issues promptly.
- Collaborated with colleagues to ensure smooth operations during busy times.
- Thrived in a fast-paced environment, adjusting to changing demands.
- Managed multiple tasks efficiently to ensure timely service.

Certifications

TestOut Certifications	August 2022 - May 2024
